*Communicating the life changing message of Jesus Christ, through allegorical story-living and relational real-life teaching of children and potential leaders in an outdoor setting as a ministry of the local church*

## **Support Crew**

Thank you for your consideration in volunteering as part of the support staff at TREK 2016. We are excited about the possibility of having you join us this year!

This year, the activity leader program is getting an exciting revamp! In the past, the role of activity leaders has been to primarily assist during craft and activity times. We have recently made changes to the LIT program and with that comes changes to our activity leader program. The LIT program has become a Junior Counselor program, one in which the former "LIT's" will spend the majority of their time shadowing a cabin group. As a result, many of their former responsibilities need to be filled by other volunteers. So we are excited to announce our new *Support Crew* program! As part of our Support Crew, you will be responsible for leading craft and activity time, washing dishes, cleaning camp and play an important role during night watches and day time story events.

As our leaders provide the Support Crew with daily devotionals and training, our desire is that your week at TREK would be well spent, learning more about Jesus and living out what it means to be a servant leader.

We are looking for volunteers who have a desire to learn more about God, hard working, passionate about making the story come alive and who have a deep love for children. Please consider carefully if this position is the right fit for you. Please keep in mind that our Support Crew is reserved for volunteers who are entering Grade 12 or older.

We expect all applicants to attend TREK-U, our weekend training program in May. In addition, applicants should expect an interview with members from our leadership team. Following the training weekend and interview process, you will be contacted as to whether or not you have been accepted into the Support Crew program.

### **TREK 2016 Dates:**

July 4-9 (Campers entering Grades 3-5)
